

# KGL Kindred Gathering 50!

## August 2-3-4-5 Copalis Beach, WA

We have rented an entire motel and adjacent campground and RV slots. The small 8-room motel is already filled by food preparers (two have kitchens) and those in need of special care. Site is 1/2 mile from pristine ocean beaches. The KG campground is free as is "entry" and workshops. The town is tiny and the motel is on the the main drag, so quite easy to find. Easy to Mapquest, etc.

Five miles away the small town of **Ocean Shores** has thousands of hotel rooms. No traffic here-- so an easy commute. Many folks have reported already booking there. Rideshares are possible to and from the site. This year's KGL location is 2 miles from the original KGI site. **We are coming home!**

At the old KGI site there is now a resort, **Surfcrest**, which has bookable condos that sleep six. R & J will lead an excursion to the old **Alexanders by the Sea** location to walk the site -- KG history with pictures.

Camping is unassigned. Each site can hold 6 people. You will be directed as you check in on arrival. It is possible to also add tents to a side lawn area which is not shown. And, hurrah! -- the centralized bathroom is brand new, ADA accessible, clean, commodious and even has boffo keen showers, too!

**DINNERS:** (Remember the food is brought by you!) Thursday: Mexican fare. Friday: heavy hors d'oeuvres. Saturday: Bring something grill and to add to salad fixings. Sunday: Potluck leftovers. Note: The **Green Lantern** is a closeby, full-on restaurant. There is also a small grocery store in town. Robert will reprise egg and pancake breakfasts on Friday, Saturday and Sunday. Donations accepted.

It is anticipated there will be two nights of concerts-- yet to be determined. Many previous KG'ers have checked in. We want to be sure we hear everyone! As for workshops, the standard will apply-- three allocated spaces and an hour-by hour, centralized sign-up board to add in your offerings.

Questions can go to Robert Force at [rolefo@gmail.com](mailto:rolefo@gmail.com).

I will help you figure things out!

Note: although the motel, **Echoes of the Sea**, has a booking page, everything will show up as sold out because we have reserved the whole place. Still, check out their website for info and pixs.
